FOI Request 2014

This request is in 2 parts. We ask that you answer all of the questions in the first section whether or not you have any licences issued under the Dangerous Wild Animals (DWA) Act. If there are any current DWA licences for primates in your area, please also complete all of the questions in the second section.

As of 25th February 2014:

PART 1

1) How many DWA licences are currently issued in your area?
   2

2) How many of these DWA licences are issued for primates (monkeys, apes or prosimians such as lemurs)?
   1

3) How many applications for licences to keep primates under the DWA Act have been refused in your area in the last 12 months?
   0
   And on what grounds were they refused?
   N/A

4) What is the cost of obtaining a DWA licence in your area (please indicate whether this includes any veterinary fees incurred)?
   £105.00+ Vets Fees

5) What is the cost of “renewing” a DWA licence in your area (please indicate whether this includes any veterinary fees incurred)?
   £105.00+ Vets Fees

6) How do you select a veterinary surgeon or veterinary practitioner for the DWA inspection?
   We use a Secretary of State appointed Zoo inspector

7) How much time, on average, do you spend on a DWA licence application, from the receipt of the application to the issuing or refusal of the DWA licence (including the inspection)?
   Between 4 and 8 hours

8) In order to be granted DWA licences for primates, must applicants demonstrate that they meet the conditions laid out in the Code of Practice for the Welfare of Privately Kept Non-human Primates?
   It is not a condition of the licence however the Code of Practice was forwarded to the relevant licence holder in February 2010.
9) Are the resources available to your department sufficient to enable you to carry out DWA licensing satisfactorily? If not, what solutions might you suggest?
Yes they are sufficient.

PART 2

10) If there are primates licensed in your area, **please provide copies of all licences, and the most recent relevant veterinary and inspection report(s) for each licence** (on the understanding that for data protection purposes, certain information may be obscured). **If no written reports are available, please indicate the date on which the most recent report was conducted, by whom, and the outcome of the visit.** If not included in the report(s), please also provide the following information:

For each licence issued for primates:

a) How many individuals of each species are covered (please provide the scientific name: i.e. *Cebusapella*)?
   Please see vets report

b) What is the age and sex of each licensed primate? If this information is not kept by your council, please indicate so.
   Please see vets report

c) Where was each primate obtained? If this information is not kept by your council, please indicate so.
   Information not held

d) Please confirm whether any restriction is placed on breeding of the animals licensed. If no restriction exists, please indicate whether the existing licence would automatically cover the offspring, and until what age this cover would last.
   No restriction in place however licence currently authorises two female primates only.

11) Would you or someone in your department, be willing to share any further information about DWA licensing?
Yes
And who can we contact for such information?

DANGEROUS WILD ANIMALS ACT 1976 (MODIFICATION ORDER) 1984

DANGEROUS WILD ANIMALS - LICENCE CONDITIONS

Before granting a licence to keep Dangerous Wild Animals, the Licensing Authority must be satisfied that:

1. It is not contrary to the public interest on grounds of safety, nuisance or other grounds.

2. The applicant is a suitable person to hold a licence to keep the animal(s) listed on the application.

3. The animal(s) will be kept in accommodation that prevents its escape and is suitable in respect of size, temperature, drainage and cleanliness.

4. The animal(s) will be supplied with adequate and suitable food, drink and bedding material and be visited at suitable intervals.

5. Appropriate steps will be taken to ensure the protection of the animal(s) in case of fire or other emergency.

6. All reasonable precautions are taken to prevent the spread of infectious disease.

7. The animal(s) accommodation is such that it can take adequate exercise.

8. Where the Council issues a licence, that licence is subject to such conditions as the Council sees fit and in each case these conditions will specify that:

   a) Only the person named on the licence shall be entitled to keep the animal.
   b) The animal shall only be kept on the premises named on the licence.
   c) The animal shall not be moved or may only be moved in accordance with conditions specified in the licence.
   d) The licensee must hold a current insurance policy, approved by the Council, which insures against liability for damage caused by the animal.
   e) Only the species and number of animals listed on the licence may be kept.
   f) The licensee shall make a copy of the licence and its contents available to any other person listed on the licence as being able to look after the animal.

9. The council may at any time revoke or amend any licence condition apart from those covered by 8 a) to 8 f) above.
