In association

Microchipping offer open to dog owners aged 18 or over regardless of benefit status, subject to availability and resources of the charity. All breeds of dogs are welcome, however Dogs Trust will not chip active hunting hounds or litters of puppies. We ask that puppies under 6 months old are fully vaccinated and proof of vaccinations are brought along to the event. If your puppy has recently been vaccinated, they must be carried for the 10 days following their final vaccination. Dogs over 6 months old do not require proof of vaccination. Where offered, the basic health check is for ears, teeth, coat condition and general fitness only. No other veterinary treatment will be available. If your dog requires treatment for any problems found during the basic health check you will be advised to see a Veterinary Surgeon. The Promoter: Dogs Trust, 17 Wakley Street, London, EC1V 7RQ Reg.
