- 2.2 No matters arising.

3. REGISTER OF INTERESTS

- 3.1 All Board Members need to update their Register of Interest Form and Declaration of Interests will become a standard agenda item on future meetings moving forward.
- 3.2 No Declarations of Interest were recorded for the meeting.
- 3.2 **ACTION:** KLV will circulate the Register of Interest form with the minutes.

4. REVIEW OF THE TERMS OF REFERENCE

- 4.1 The Terms of Reference document with suggested areas for amendments was circulated with the agenda.
- 4.2 HJ gave a brief presentation on the progress to date and the current stage highlighting the responsibility of the Board moving forward and the suggested areas for amendments of the Terms of Reference.
- 4.3 JF queried the role of the Board in approving new projects to be taken forward if any of the existing projects within the current Town Deal did not progress.

HJ explained the change process MHCLG have set up which allows requests to reallocate funding up to the maximum amount awarded of £17.1m to existing confirmed projects if a project fails to complete the Full Business Case process and does not progress. Any change request must be brought before the WTDB. SBC have asked for clarification if other projects from the original TIP can be brought in to replace any projects that may not proceed but are still waiting an answer.

- 4.4 It was agreed that the Board had a role in developing potential projects as a back-up in case current projects did not proceed and also in case any future funding pots are announced.
- 4.5 MK requested information on the project assurance process within SBC and if there was a Programme Board established, what is the role of this Board to ensure that the roles of the two Boards did not overlap or duplicate.

HJ and MG provided clarification on the processes within SBC and that the project assurance method is based on Prince2 principles.

ACTION: CR is preparing a paper for SBC Audit Committee in October to explain how the different Boards work and interact which she will share with the WTDB.

- 4.6 MK suggested section 2.2 is revisited to take into account the use of the word 'must' and queried if 'may' would be more appropriate.

ACTION: Terms of Reference to be amended in line with comments received and circulated round the Board.

5. TOWN DEAL BOARD MEMBERSHIP

- 5.1 GE asked the Board if they recognised any gaps with the Board membership.
- 5.2 JFi suggested the education sector was missing, particularly post 16, and small business representation was needed too. JFi suggested approaching the Tourism Association.
- 5.3 JF suggested KB formally replaced RF as the voting member for NYCC.

ACTION: KB to take back to RF and formally request this change through the Chair.

- 5.4 LW suggested Cllr Phil Trumper in connection to his work with the Maritime Training Hub.
- 5.5 MG advised that the best way to review membership was for Board members to send suggestions to SBC through KLV and then this can be picked up with MHCLG with regards to the formal requirements of the Board membership contained within the guidance. MG will then prepare a paper with recommendations.

ACTION: All Board Members to feed any suggestions to KLV.

6. BUSINESS CASE DEVELOPMENT

- 6.1 HJ gave a presentation on the process each project must go through to ensure they develop a Full Business Case (FBC) compliant with the HM Treasury Green Book.
- 6.2 SBC is the accountable body for the funding and has to approve the FBC before a Summary Document for MHCLG is prepared and submitted. The Chair of the WTDB must also sign off the Summary Document. FBCs are not submitted to MHCLG unless requested.
- 6.3 Each project lead will be expected to attend and present the key elements of the FBC and project to the WTDB before submission to MHCLG. Each project has indicated which submission date they are aiming for.
- 6.4 MK queried why the Pedestrianisation and Harbourside Public Realm scheme has indicated the latest submission date. HJ advised this was due to awaiting the analysis of the trial scheme which will feed into the FBC.

ACTION: KB to request an update on the trial pedestrianisation scheme be brought to the next meeting in the autumn.

7. ELECTION OF CHAIR PERSON FOR NEXT PHASE

- 7.1 GE thanked the Board for their hard work and commitment and expressed his honour to have served as Chair of the Whitby Town Deal Board but unfortunately due to work commitments no longer has the time to take the Board forward through the next phase. Therefore, GE resigned from the position of Chair of the Whitby Town Deal Board.
- 7.2 GE proposed that BH take over position of Chair of the Town Deal Board. LW seconded.
The Board agreed to appoint BH as the Chair of the Town Deal Board.
- 7.3 MG thanked GE on behalf of SBC for the energy and commitment given to the work of the Board.
- 7.4 BH is looking forward to taking the Town Deal Board through the next phase delivering the outcomes of the TIP.
- 7.5 **ACTION:** All Board Members to consider suggestions for a new Vice Chair to replace BH in this position which can be proposed and determined at the next meeting.
