1.0 Purpose of the Scheme and background.

- 1.1 The purpose of this document is to determine eligibility for a payment under the Council's Additional Restrictions Grant Scheme (ARG). The Council, as the Business Rates Billing Authority is responsible for payment of these grants.
- 1.2 This discretionary grant scheme has been developed by the Council in response to an announcement made by the Secretary of State for Business, Energy & Industrial Strategy made on 31st October 2020 which sets out the basic circumstances whereby an additional restriction grant payment may be made by the Council to a business which has to close or are severely affected due to localised or widespread national restrictions being put in place to manage coronavirus and save lives.
- 1.3 Whilst the awarding of grants will largely be at the Council's discretion, the Department for Business, Energy & Industrial Strategy (BEIS) has set down criteria which **must** be met by each business making an application.
- 1.4 The scheme applies where local restrictions (LCAL3) are put in place **or** where a widespread national lockdown is announced.
- 1.5 Localised restrictions are legally binding restrictions imposed on specific Local Authority areas or multiple Local Authority areas, where the Secretary of State for Health and Social Care requires the closure of businesses in a local area under regulations made using powers in Part 2A of the Public Health (Control of Disease) Act 1984 in response to the threat posed by coronavirus and commonly as part of a wider set of measures.
- 1.6 National restrictions are nationally binding widespread restrictions imposed by Parliament under legislation. The current national restrictions are made under the Health Protection (Coronavirus, Restrictions) (England) (No. 4) Regulations 2020.
- 1.7 Grants under this scheme will be available for the 2020/21 and 2021/22 financial years only.
- 1.8 No grant shall be paid for any period where the localised or widespread national restrictions were in place prior to 14th October 2020.
- 1.9 Where any area enters either a localised restriction (LCAL3) or where a national restriction applies, additional assistance may be given to businesses under the Council's Local Restrictions Support Grants (Closed) Scheme (as amended).

2.0 Funding

- 2.1 Under the Additional Restrictions Grant Scheme (ARG) provisions, Local Authorities will receive a one-off lump sum payment amounting to £20 per head in each area when local restrictions (LCAL3) or widespread national restrictions are imposed.

- 2.2 Once the Council's area is removed from local restrictions (LCAL3) or widespread national restrictions, no additional funding will be received from Government even if either the local restrictions or widespread national restrictions are re-instated.
- 2.3 Given that the funding is finite, the Council will ringfence funds from total allocation £2,175,140 to allow for grants to be provided should the Council's area be subject to further widespread national restrictions or local restrictions under LCAL3 provisions.

3.0 Eligibility criteria and awards

- 3.1 The Council is able to use this funding for business support activities and Government envisage that this will primarily take the form of discretionary grants although it can be used for wider business support activities.
- 3.2 If Local Authorities use the Additional Restriction Grant for direct business support grants, Government has stated that the same conditions of grant **must** apply as for the Local Restrictions Support Grant (Closed) scheme. However, the Council will have the discretion to alter the amount of funding offered to individual businesses and the frequency of payment.
- 3.3 Government has stated that the Council *may* also consider making grant payments to those businesses which, while not legally forced to close are nonetheless severely impacted by the restrictions put in place to control the spread of Covid-19. Government has also stated that the Council may also wish to assist business which are outside of the rating system and which are effectively forced to close.
- 3.4 The Council has decided to support all eligible businesses with priority being given to those Scarborough businesses that:
- Occupy business premises, have been required to close due to nationally imposed restrictions, but who are not subject to Non-Domestic Rating (and are therefore ineligible for the Local Restrictions Support Grant (Closed) scheme and the Local Restrictions Support Grant (Sector) scheme;
 - Occupy at least one hereditament in the Council's area, and the business is severely negatively impacted by COVID-19 but are not required to close those premises. The Council will prioritise businesses which support or supply businesses in the retail, leisure and hospitality sectors, or events sector which have been required to close;
 - Other businesses including the self-employed, with commercial or domestic premises, who have been severely detrimentally impacted by the general fall in economic activity, trade and sales as a result of the current widespread national Lockdown.

Eligibility Criteria

- 3.5 The following types of business would be eligible under the Additional Restrictions Grant (ARG) scheme:
- (a) Businesses which are mandated to close, but which are not liable for Non-Domestic Rating i.e. those who rent space within another business;

- (b) Businesses which have been mandated to close, but which also sell online and are therefore ineligible for the Local Restrictions Support Grant (Closed) scheme;
- (c) Businesses whose majority of customers are operating within the Retail, Hospitality & Leisure sector;
- (d) Non-essential Market Traders forced to cease trading;
- (e) Bed and Breakfast premises paying Council Tax not Non-Domestic Rating;
- (f) Businesses paying a commercial rent or lease;
- (g) Businesses operating out of a domestic premise; and
- (h) Charitable or voluntary groups. The Council will give priority to charities who, were it not for the receipt of mandatory relief, would have met the qualifying criteria for small business rate relief (premises with an RV of £15,000 or less and where ratepayer only occupies one premises); and

3.6 Priority will also be given to businesses operating in the tourism sector including the arts, entertainment and recreation.

3.7 For the businesses listed above, the following criteria will apply:

- (a) Businesses must have been trading immediately prior to the National Lockdown on 5 November 2020;
- (b) Businesses must be able to demonstrate some level of fixed ongoing costs;
- (c) Businesses trading at or above normal trading levels will not qualify;
- (d) Applicants must either have their sole or main residence in the Council's area and be liable for Council Tax payments or operate from business premises within the Borough.
- (e) The Council will require all self-employed persons who apply to be registered with her Majesty's Revenues and Customs (HMRC) and any charity applicants to be registered with the Charity Commission for England and Wales; and
- (f) Where it is evident to the Council that the applicant is knowingly in arrears with fixed costs and has been awarded a grant under The Small Business, Retail, Leisure & Hospitality Scheme, The Discretionary Business Grant Scheme or The Local Restrictions Support Grant Scheme and the level of grant paid would have been sufficient to have avoided being in arrears, payment of a grant under The Additional Restrictions Grant Scheme will not be considered.

Award Levels

3.8 The amounts to be awarded under this Additional Restrictions Grant (ARG) scheme mirror the amounts in the Local Restrictions Support Grant (Closed) scheme, with the addition of a smaller £500 payment to be awarded to those businesses with relatively low levels of fixed business costs and reductions in income.

3.9 There will be four levels of grant available namely:

- £500;
- £1,334;
- £2,000; and
- £3,000

Each application will be assessed for the reduction in revenues (sales / income / orders) the business has suffered as a result of COVID-19 as well as unavoidable ongoing fixed business costs it incurs.

- 3.10 In exceptional circumstances funds may be utilised as ‘top up’ grants to the Council’s Local Restrictions Support Grants (Closed) scheme for any business facing exceptional difficulties or experiencing a significant impact.
- 3.11 In such cases, additional information may be requested on an individual application basis and awards are likely to be made where to do so would be in the interests of the Borough’s Council Taxpayers.
- 3.12 The Council reserves the right to change the level of awards depending on the number of applications received.
- 3.13 Where any widespread national restriction or LCAL3 restriction applies for a period of less than 28 days, any payment will be made on a daily basis pro-rata

Excluded businesses – both local and national restrictions

- 3.14 The following businesses will **not** be eligible for an award:
- (a) Businesses in areas outside the scope of the localised restrictions, as defined by Government and not subject to a widespread national restriction;
 - (b) Businesses that have chosen to close but not been required to, will not be eligible;
 - (c) Businesses which have already received grant payments that equal the maximum levels of State aid permitted under the de minimis and the COVID-19 Temporary State Aid Framework; and
 - (d) Businesses that were in administration, are insolvent or where a striking-off notice has been made at the date of the local restriction or widespread national restriction.

The Effective Date

- 3.15 The effective date for eligibility is the date of the widespread national or local restrictions (LCAL3). Businesses **must** have been trading on the first full day of national or LCAL3 restrictions to be eligible to receive grant support.

Who can receive the grant?

- 3.16 Government has stated that the person who will receive the grant will be the person who, according to the Council’s records, was the ratepayer in respect of the hereditament at the effective date. Where there is no entry in the rating list for the business, the Council will have discretion to determine who should receive the grant.
- 3.17 Where the Council has reason to believe that the information it holds about the ratepayer or business at the effective date is inaccurate, it may withhold or recover the grant and take reasonable steps to identify the correct ratepayer.

- 3.18 Where, it is subsequently determined that the records held are incorrect, the Council reserves the right to recover any grant incorrectly paid.
- 3.19 Where any business or individual that misrepresents information or contrives to take advantage of the scheme, the Council will look to recover any grant paid and take appropriate legal action. Likewise, if any ratepayer is found to have falsified records in order to obtain a grant.
- 3.20 Where there is no entry in the rating list for the business, the Council will have discretion to determine who should receive the grant.

4.0 How will grants be provided to Businesses?

- 4.1 The Council is fully aware of the importance of these grants to assist businesses and support the local community and economy. The Council's Additional Restrictions Grant (ARG) scheme together with the Local Restrictions Support Grant (Closed) will offer a lifeline to businesses who are struggling to survive during to the COVID-19 crisis.
- 4.2 Details of how to obtain grants are available on the Council's website:
<https://www.scarborough.gov.uk/node/8516>
- 4.3 In all cases, businesses will be required to confirm that they are eligible to receive the grants. This includes circumstances where the Council already has bank details for the business and are in a position to send out funding immediately. Businesses are under an obligation to notify the Council should they no longer meet the eligibility criteria for any additional grants.
- 4.4 All applications must be received no later than 7 days after the last day of either the widespread national restrictions or LCAL3 restrictions in order to be eligible. Any application outside of this window will not be assessed.

- 4.6 An application for an Additional Restriction Grant is deemed to have been made when a duly completed application form is received via the Council's online procedure.
- 4.7 Payments made will be one-off payments to cover the current period of national restrictions. If a further national restriction is applied or LCAL3 restrictions eligible businesses will be required to make a new application at that time. This will ensure that all applicants are still active businesses and have not ceased to trade during the intervening period.
- 4.8 All monies paid under this scheme will be funded by Government and paid to the Council under S31 of the Local Government Act 2003.

- 4.9 Where more than one Limited Company has the same director(s) or more than one business has the same proprietor (either sole traders or partnerships) and any of the businesses under the control of the same directors have received any grants specified under paragraph 3.4 **and** the total of these grants exceed £15k then there shall be no entitlement to any discretionary grants. Where more than one Limited Company has the same director (s) or more than one business has the same proprietor (either sole traders or partnerships) and any of the businesses under the control of the same directors have received any grants specified under paragraph 3.4 and the total of these grants are less than £15k then discretionary grants will be considered but only where the businesses are separate entities.
