## 1.0 Purpose of the Scheme and background.

- 1.1 The purpose of this document is to determine eligibility for a payment under the Council's Local Restrictions Support Grant (Sector) Scheme.
- 1.2 The grant scheme has been developed by the Council in response to an announcement made by the Secretary of State for Business, Energy & Industrial Strategy made on 9<sup>th</sup> October 2020 which sets out circumstances whereby a grant payment may be made by the Council to a business which has to close since 23<sup>rd</sup> March 2020 and has been unable to open since that time. The number of businesses within this sector are limited but have been closed to stop the spread of the Coronavirus and save lives.
- 1.3 Whilst the awarding of grants will be the Council's responsibility, the Department for Business, Energy & Industrial Strategy (BEIS) has set down criteria which **must** be met by each business making an application. The Department has also indicated the types of business which should be given the grant.
- 1.4 The scheme applies from 1<sup>st</sup> November 2020 and is not retrospective.
- 1.5 In the event of widespread national restrictions being imposed, this scheme (the Local Restrictions Support Grant (Sector)) will cease to apply, as relevant businesses will receive funding from the Local Restrictions Support Grant (Closed). National restrictions are nationally binding restrictions imposed by Parliament under legislation. The current national restrictions are made under the Health Protection (Coronavirus, Restrictions) (England) (No. 4) Regulations 2020.

## 2.0 Funding

- 2.1 Local Authorities will receive funding to meet the cost of payments to businesses within the business rates system based on an assessment of the number of eligible business hereditaments.

## 3.0 Eligibility criteria and awards

- 3.1 Government, whilst wanting Councils to exercise their local knowledge and discretion, has set national criteria for the funds within this scheme. In all cases, the Council will only consider businesses for grants where **all** of the criteria are met.
- 3.2 Businesses will only be eligible where they have been required to close due to national restrictions imposed on 23 March 2020 and which have not been able to re-open as a result of regulations made under the Public Health (Control of Disease) Act 1984.
- 3.3 The business **must** have been trading on 23<sup>rd</sup> March 2020 in order to receive the grants and be one of the following:
  - (a) Nightclubs, dance halls, and discotheques; or
  - (b) Sexual entertainment venues and hostess bars.

## Awards and frequency of payment

- 3.4 Businesses which are forced to close and meet the eligibility criteria will receive a grant payment for every period of 14 days after the 1<sup>st</sup> November 2020. Where a widespread nationwide restriction comes into force, any payment will be made pro-rata to the date of the national restriction, when payments will be made under the Local Restriction Support Grant (Closed) Scheme.
- 3.5 Should the widespread national restriction end, but the eligible businesses continue to be forced to closed, payments under this scheme will re-commence and be paid for every period of 14-day period of closure
- 3.6 The amount of grant and the frequency of awards in respect of this scheme are fixed as follows:
- (a) Businesses occupying hereditaments appearing on the local rating list with a rateable value of exactly £15,000 or under on the date of the commencement of the national restrictions will receive a payment of £667 per 14-day qualifying restriction period;
  - (b) Businesses occupying hereditaments appearing on the local rating list with a rateable value over £15,000 and less than £51,000 on the date of the commencement of the national restrictions will receive a payment of £1,000 per 14-day qualifying restriction period;
  - (c) Businesses occupying hereditaments appearing on the local rating list with a rateable value of exactly £51,000 or above on the commencement date of the national restrictions will receive a payment of £1,500 per 14-day qualifying restriction period.
- 3.7 Any business failing to meet the criteria will not be awarded a grant. However, where a business has multiple eligible hereditaments, multiple grants can be awarded.

## Excluded businesses

- 3.8 The following businesses will **not** be eligible for an award:
- (a) Businesses outside the scope of this scheme;
  - (b) Businesses that have chosen to close before the effective date but not been required to, will not be eligible;
  - (c) Businesses which have already received grant payments that equal the maximum levels of State aid permitted under the de minimis and the COVID-19 Temporary State Aid Framework;
  - (d) Businesses that have been repurposed and are able to open e.g. where a nightclub has been converted to a bar; and
  - (e) Businesses that were in administration, are insolvent or where a striking-off notice has been made at the date of the local restriction or national restriction;

## The Effective Date

- 3.9 The effective date for eligibility is determined as 23<sup>rd</sup> March 2020 for all businesses required to close.
- 3.10 In **all** cases, the following must have existed at the effective date:
- The hereditament **MUST** be shown in the local rating list as at the effective date;
  - Any changes to the local rating List (Rateable Value or to the hereditament) after that date, including changes which have been backdated to this date, will be ignored for the purposes of eligibility;
  - The Council is not required to adjust, pay or recover grants where the local rating list is subsequently amended retrospectively to the effective date;
  - In cases where it was factually clear to the Council that, at the effective date, the local rating List was inaccurate on that date, the Council *may* withhold the grant and/or award the grant based on their view of who would have been entitled to the grant had the list been accurate. (The Department for Business, Energy and Industrial Strategy (BEIS) has stated that this provision is entirely at the discretion of the Council and is **only** intended to prevent manifest errors. It is not intended for ratepayers who subsequently challenge their Rateable Value); and
  - Where a hereditament is exempt from rating as at the effective date, no grant shall be payable.

## The Ratepayer

- 3.11 In **all** cases, the following shall apply:
- The person who will receive the grant will be the person who, according to the Council's records, was the ratepayer in respect of the hereditament at the effective date;
  - The ratepayer must be liable to occupied property rates at that date. It should be noted that grants will not be awarded where the hereditament is unoccupied;
  - Where the Council has reason to believe that the information it holds about the ratepayer at the effective date is inaccurate, it may withhold or recover the grant and take reasonable steps to identify the correct ratepayer;
  - Where, it is subsequently determined that the records held are incorrect, the Council reserves the right to recover any grant incorrectly paid; and
  - Where any ratepayer misrepresents information or contrives to take advantage of the scheme, the Council will look to recover any grant paid and take appropriate legal action. Likewise, if any ratepayer is found to have falsified records in order to obtain a grant.

## 4.0 How will grants be provided to Businesses?
